40+ YEARS OF EXCELLENCE

classmate

iii) After the Arrival of Stalin as leader let so many positive things to happen

iv) He made the industrilization development and Collective Agricultural development

v) He introduced Collective Farming to decrease Small farmers / peasants problems

vi) This led all farmers to surrender their lands and made them to farm unitedly with Advance Agricultural tools

vii) By this all the farmers will have the product shared equally

viii) This led to increase in agriculture production after a great fall before Stalin leadership in USSR

10 B) the above paragraph tells about the women Enfranchisement ~~of~~ at the early times during the period of World Wars

My Interpretation on the given para:

Problems:

3 i) Women didn't find enough respect, they were not given proper rights to express their feeling

ii) Men always make women low and let them to work at Industries, shops whereas Men were in Battle fields

40+ YEARS OF EXCELLENCE
classmate

Reasons!

i) Women didn't get enough respect from the very beginning which continued till the day

ii) Women were not having enough confidence because society always ~~demovited voted~~ demotivated them. Confidence is needed to express their feelings and demands

Result!

i) After a lot of difficulties and ~~winning~~ becoming the bread winners gave them confidence and they raised their voice

ii) They finally got right to vote in British in 1918 and also started to get respect

~~Example~~ Suggestions!

i) Today women are getting enough respect but not to the fullest. Government must look after that

ii) Women are equally participating in activities like men but even that should be increased because its still not enough

iii) Women should be given respect from the very beginning and they must also get all the rights.
